Flinders Learning Online (FLO)

A Brief Introduction

Rachel Weishaupt & Bree Atkins
The Flinders University
Online environment
Today’s Session

• What is OKTA?

• Using your FAN & password
  (and what to do if you forget them!)

• Accessing email and the Student System

• What is FLO & how do you use it?

• Where to get help with FLO
Getting Started

FANS... FLO ... OKTA
... what does it all mean??
What is a FAN?
FAN = Flinders Authentication

Name

perr0123
pham0156
nguy0954
What is a FAN?

You use your FAN to access:

okta

OK so what’s OKTA?
Okta is where you access all the online places you need at Flinders in one spot!

I only need to remember 1 password!
Your OKTA Dashboard is where you will access:

- FLO
- Student System
- Your student email
- The Library and much more

Use your FAN and password to sign into OKTA
What if I forget my password?

You can reset your own password on the OKTA sign in page.
What if I forget my Password?

But you will need to add your mobile number to your OKTA settings.

You can reset your own password on the OKTA sign in page.

Okta Dashboard
Adding your mobile & alternate email to your **OKTA** settings
Adding your mobile & alternate email to your Okta settings
Adding your **mobile** & alternate email to your **Okta** settings
What is the Student System?
What is the Student System?

You use the Student System to:

• Enroll in topics
• Get your timetable
• Get your final grades
So what is FLO?

Flinders Learning Online (FLO)

• Access all your topics
• The major teaching & communication tool for each topic
• Upload your assignments
• Lots of links to useful places
  – Library resources
  – Student System
Accessing FLO

• Operates best with the following browsers:
  Firefox
  Google Chrome

• FLO can also be used on any mobile device
  (E.g. iPhone, iPad, Tablet, Android)

Tip: Try out the OKTA app from the app store
Accessing FLO via your Okta dashboard
FLO Home Page

Lots of TABS containing all your topics
